

Volunteer Groundsperson Role Description

Title Of Opportunity:

Volunteer Groundsperson

Purpose of Role:

To support the work of Family Support Work by help to maintain the grounds and gardens of Knowles Tooth, a 5 acre residential site in Hurstpierpoint.

Main Activities & Responsibilities:

- *Assist other staff and volunteers to maintain the grounds and gardens of Knowles Tooth*
- *There is a possibility of helping to develop and maintain a small vegetable garden which the volunteer must be able to water regularly*

Qualifications and Skills Required:

- *All volunteers need there own transport*
- *Desire and ability to work in a garden environment*
- *An Enhanced CRB check*

Benefits:

- *Out of pocket expenses paid.*
- *Opportunity to receive training as required.*
- *Opportunity to meet new people and visit new locations.*
- *Opportunity to network with other volunteers and receive support as well as the satisfaction of supporting families.*

Support:

The Volunteer Co-ordinator, other volunteers and appropriate members of staff will offer support to the volunteers. The Volunteer Co-ordinator will be available for regular meetings with the volunteers to discuss any problems or issues that may arise as well as the use of feedback forms, also available on line, which are to be regularly returned to the Volunteer Co-ordinator. While volunteers will be managed by the Volunteer Co-ordinator the work with families will be directed by the appropriate member of staff.
