

January 2010

Dear Walker

FSW Easter Monday 'Big' Walk: 5th April 2010

It seems very early to be advertising the Easter Walk for this coming April!

As you will see from the enclosed information we have changed this year to a circular walk to make travel arrangements easier for everyone.

We hope you will be with us again this year, we start and finish on The Tye at Alfriston (the village green by the church) using the Memorial Hall. We have a refreshment stop at Wilmington providing superb views of the 'Long Man'.

We thank Lewes and Seaford Deanery Committee members for their help in planning the day.

Last year, thanks to you, we raised £12,333.61. It would be fantastic to do the same again this year or maybe raise even more. Help us by walking and gathering sponsorship, bring sponsored family members and friends - the more the merrier.

If you feel unable to walk but would still like to help we will need 'Marshalls' to register and guide walkers, refreshment makers or possibly readers for the service. Please let us know what you would like to do. Or, simply sponsor someone else to walk, you could ask for sponsorship for not walking or send a donation. Everyone can join in and help in some way.

We hope that, as a committed Walker for FSW, you will join us and send back your form, as enclosed. Alternatively forms are also available to download from our website: www.familysupportwork.org.uk

I enclose our latest newsletter in case you have not seen it - if you have, please pass it on to one of your sponsors.

We look forward to receiving your registration forms and more so to seeing you on Easter Monday to walk off the chocolate eggs!

Yours sincerely

Foster Murphy
Development Consultant
